

# 11<sup>th</sup> International High Energy Materials Conference & Exhibits (HEMCE-2017)

High Energy Materials Research Laboratory, Pune  
(23-25 November 2017)

11<sup>th</sup> International High Energy Materials Conference & Exhibits (HEMCE-2017) is scheduled to be held at High Energy Materials Research Laboratory (HEMRL), Pune during 23-25 November 2017 under the aegis of High Energy Materials Society of India (HEMSI). Top ranking Defence Scientists / Technocrats, Academicians, & Industry Leaders from India and abroad will be participating in HEMCE-2017. Dignitaries and officials from Defence R&D Organization (DRDO), Indian Space Research Organization (ISRO), Ordnance Factory Board (OFB), Council of Scientific & Industrial Research (CSIR), Director General Quality Assurance (DGQA), Department of Science & Technology (DST) including renowned Academicians & Researchers from R&D Institutes & Universities from India will also participate in the conference. Subject experts & professionals from Universities, Industries and R&D Institutes from USA, Russia, UK, Italy, Czech Republic, Israel, Singapore etc. are also expected to participate in the conference.

HEMCE-2017 provides a grand opportunity to the Organizations / Industries / Manufacturers & Companies associated with products and technologies related to HEMs for sponsoring HEMCE-2017 & its various events. Sponsors' names with their emblems / logo will be prominently displayed in the conference venue and representatives will be special invitees in the conference. Also sponsors will be given opportunity to present the company's profile and innovation/ speciality before the august gathering for about 10 mins. Organizers of HEMCE-2017 have decided to include their names in the Seminar Souvenir which will be released by the Chief Guest in presence of Dignitaries from India and Abroad during the inaugural function.
